Housing

Check our website in the late fall for information about our discounted hotel block. Contact Claire at clairejohnson03@gmail.com to request housing with local dancers (include Jan Jam in the subject line). If you are part of the CU community and would like to host dancers for Jan Jam, please email Claire!

COVID

Attendees will be required to show proof of a negative test result taken within 12 hours of arrival on Friday (a time stamped photo is fine if you test beforehand. You can also test at the venue) and again Saturday afternoon. Attendees must provide their own tests. If you are traveling with multiple people, please make a plan in case someone in your party tests positive. We strongly encourage dancers to wear masks and will provide extra masks at the hall. This policy may change closer to the event. We will announce any changes but please check the website closer to the event to make sure you have the most up to date info. We will reimburse you if changes to the COVID policy or illness prevent you from attending the dance.
